## Ron Paul Speech

To whom it may concern,

This note is the further explication in response to question 5 of the *U.S. House of Representatives Committee on Standards of Official Conduct Private Sponsor Travel Certification Form*.

The Wake Forest University Young Americans for Liberty has invited Ron Paul to speak to the Wake Forest University student body and community abroad regarding current political issues, the economic downturn, and additional topics of Ron Paul's choice. This event does not support or endorse any candidate or candidate's legislation and is being conducted as an educational resource and great opportunity for the University student body. Representative Paul has been invited to showcase his ideas and highlight that message to the younger audience of the community. This event is simply a speech that will be given at Wait Chapel at Wake Forest University by Representative Ron Paul as a fun way to get more students involved in the political process and resource them intellectually with a diverse political viewpoint. We stand behind the University's motto of *Pro Humanitate* and believe that such views will help provide an atmosphere on campus that is for the good of all.

The sole purpose of all funding is to provide transportation and meet the necessary costs of travel to allow Representative Paul to speak at Wake Forest University.

This event is a not-for-profit event and will be paid for within the operating budgets of Wake Forest University Young Americans for Liberty and Wake Forest College Republicans. The students are very excited by the prospect of this amazing opportunity. The event will be open to the public.
