Washington, DC 20515

Dear Colleague:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your and your spouse's proposed trip to Turkey scheduled for October 14 to 21, 2011, sponsored by the U.S. Association of Former Members of Congress and the Turkish Coalition of America.

You must complete a Member Travel Disclosure Form and file it with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are required to attach a copy of this letter and the Private Sponsor Travel Certification Form, including attachments. You must also report all travel expenses totaling more than \$350 from a single source on Schedule VII of your annual Financial Disclosure Statement.

Because the trip may involve meetings with foreign government representatives, we note that House Members may accept, under the Foreign Gifts and Decorations Act, gifts "of minimal value [currently \$350] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of \$350 received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Jo Bonner

8:00 am ***The Lycian League and Its Influence on the U.S. Constitution***
(casual) Breakfast briefing with historian

Located on the Mediterranean Coast, Patara was the major naval and trading port of the Lycian League revered as the birthplace of proportional representation. Unbeknownst to many Americans, Patara plays a pivotal role in the history of the United States. The ancient civilization's democratic principles helped shaped the U.S. Constitution, as founding fathers Alexander Hamilton and James Madison each examined the Lycian form of government in the Federalist papers. Patara's deep-rooted influence on American democracy is also inherent in the chambers of the U.S. Congress today. The seating arrangement in the chambers is a direct descendant of the semicircular rows of the Lycian parliament building, the Bouleuterion, which once seated about 1,100 members in Patara.

Located on the Mediterranean Coast, Patara was the capital of the Lycian League, the birthplace of proportional representation. Unbeknownst to many Americans, Patara plays a pivotal role in the history of the United States. The ancient civilization's democratic principles helped shaped the U.S. Constitution, as founding fathers Alexander Hamilton and James Madison each examined the Lycian form of government in the Federalist papers. Patara's deep-rooted influence on American democracy is also inherent in the chambers of the U.S. Congress today. The seating arrangement in the chambers is a direct descendant of the semicircular rows of the Lycian parliament building, the Bouleuterion, which once seated about 1,100 members in Patara.
