May 11, 2009

Ms. Amanda Mertens Campbell
Energy and Commerce Committee
2322A Rayburn House Office Building
Washington, DC 20515

Dear Ms. Campbell:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Standards of Official Conduct hereby approves your proposed trip to Switzerland and Belgium scheduled for May 24 to 30, 2009 sponsored by the German Marshall Fund of the United States.

You must complete an Employee Travel Disclosure Form (which your employing Member must also sign) and file it with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are required to attach a copy of this letter and the Private Sponsor Travel Certification Form, including all attachments. You must also include a copy of the Traveler Form completed by you and signed by your employing Member. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$335 from a single source on Schedule VII of that statement.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act, gifts "of minimal value [currently \$335] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of \$335 received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Zoe Lofgren

Dear Amanda:

On behalf of the German Marshall Fund of the United States (GMF), I would like to invite you to participate in a congressional staff study tour to Geneva, Switzerland and Brussels, Belgium to learn about trade and climate policies.

This study tour will provide congressional staff with the opportunity to engage government officials, WTO officials, business leaders, academics and NGO's. The tour will primarily focus on the lessons learned from the European climate experience and how climate issues are viewed in a multilateral trade context at the WTO. Geneva and Brussels offer ideal access to the WTO and the European Union. Through these meetings, it is our aim to foster greater understanding of this complex issue and provide for a free exchange of policy ideas among staff and their counterparts in Europe.

The tour will bring a delegation of eight to ten congressional staff to Geneva and Brussels from May 24th -May 30th (five full days). The staff will spend May 25th -27th in Geneva and May 28th-30th in Brussels.

GMF is a 501(c)3 organization incorporated in the United States as a not-for-profit organization. GMF is the only private sponsor of this study tour. Please find the private sponsor travel certification form and a draft agenda attached for your submittal to the Committee on Standards of Official Conduct. **Ethics forms are due to the Committee on Standards of Official Conduct no later than Friday, May 8th.**

We hope you will be able to join us for what promises to be an exciting and informative trip.

Sincerely,
