The Honorable Karen Haas  
Clerk of the U.S. House of Representatives  
U.S. Capitol, Room H154  
Washington, D.C. 20515

Dear Madam Clerk,

Pursuant to section 3(c) of House Resolution 5 (114th Congress), I hereby designate the attached Memorial from the State of Louisiana, received by the House of Representatives in the year 1970, as purporting to be an application of the State legislature calling for a convention for proposing amendments to the Constitution of the United States pursuant to Article V, and request that you make it publicly available.

Sincerely,

Bob Goodlatte
Chairman
A CONCURRENT RESOLUTION

Memorializing the Congress of the United States with respect to the calling of a convention for the purpose of proposing an amendment to the Constitution of the United States relative to the power of Congress and the states to enact laws to prohibit sedition and criminal anarchy.

ORIGINATED

IN THE:

House of Representatives

Clerk of the House of Representatives
Memorializing the Congress of the United States with respect to the calling of a convention for the purpose of proposing an amendment to the Constitution of the United States relative to the power of Congress and the states to enact laws to prohibit sedition and criminal anarchy.

WHEREAS, subversive elements present a clear and present danger to the governments of the United States, the state of Louisiana and other states; and

WHEREAS, cognizant of this clear and present danger, most states, including the state of Louisiana, and the Congress of the United States have enacted criminal anarchy statutes, sedition statutes and subversive activity control statutes; and

WHEREAS, the decision of the United States Supreme Court in the case of Commonwealth of Pennsylvania v. Steve Nelson (356 U.S. 497) rendered state sedition and criminal anarchy laws virtually inoperable on the grounds that Congress has occupied this field of legislation to the exclusion of parallel state legislation and that the dominant interest of the federal government precludes state intervention in cases of sedition against the United States; and

WHEREAS, the federal legislation in this field, namely the Subversive Activities Control Act, was considered by the United States Supreme Court in the 1967 case of United States v. Eugene Frank Robel (389 U.S. 258) and was held to be unconstitutional insofar as this Act was used to prohibit the employment in a defense facility of active members of Communist action organizations who have the specific intent of furthering the unlawful goals of such organizations; and

WHEREAS, the aforementioned decisions of the United States Supreme Court and other decisions of this Court in the field of control of subversive activities have for all practical purposes prohibited Congress and the various state legislatures from enacting laws prohibiting these criminal and seditious activities; and

WHEREAS, it is urgent and essential and to the best interest of the
citizens of this and all other states that subversive activity be prohibited.

WHEREFORE, BE IT RESOLVED by the House of Representatives of the
Legislature of Louisiana, the Senate concurring herein, that, in conformity
with Article V of the Constitution of the United States, application is
hereby made by the Legislature of Louisiana to the Congress of the United
States to call a convention for the purpose of proposing an amendment to
the Constitution of the United States which shall read substantially as
follows:

"Amendment

The Congress may by law prohibit the advocating
or teaching, in any manner, in public or private, of
the subversion or destruction of the government of
the United States by violence or other means. The
Congress may by law prohibit the organizing or
becoming a member of any organization or society
which is known to the offender to advocate, teach
or practice the subversion or destruction of the
government of the United States by violence or
other means.

Each state may by law prohibit the advocating
or teaching, in any manner, in public or private,
of the subversion or destruction of the government
of the United States or of such state by violence
or other means. Each State may by law prohibit
the organizing or becoming a member of any organi-
zation or society which is known to the offender
to advocate, teach or practice the subversion or
destruction of the government of the United States
or of such state by violence or other means."
