INFORMATION ABOUT THE RETIREMENT ACCOUNT ANNUAL MAINTENANCE FEE

You may choose to pay the account maintenance fee in one of two ways. The default option is to deduct the fee directly from your account, provided there is sufficient cash available. Alternatively, you may send a check for the amount of the fee prior to the due date. If you are sending a check, please make the check payable to LPL Financial and in the memo field print your account number and the words "Annual Maintenance Fee" and mail to: LPL Financial, Attn: Dept M-AXA, P.O. Box 503707, San Diego, CA 92150-3707.

If you have any further questions on the Retirement Account Annual Maintenance Fee, please contact your AXA Advisors Financial Professional.

ESTIMATED ANNUAL INCOME (EAI) AND ESTIMATED YIELD (EY)

EAI is calculated by taking the indicated annualized dividend and multiplying by the number of shares owned. EY is calculated by taking the EAI and dividing by the aggregate value of the shares owned. If no dividend information is available, no EAI or EY numbers will be generated. EAI and EY for certain types of securities could include a return of principal or capital gains in which case the EAI and EY would be overstated. EAI and EY are estimates and the actual income and yield might be lower or higher than the estimated amounts. Additionally, the actual dividend or yield may vary depending on the security issuer's approval of paying the dividends. EY reflects only the income generated by an investment. It does not reflect changes in its price, which may fluctuate.

NON-TRANSFERABLE SECURITIES THAT ARE WORTHLESS

As part of our continuing effort to provide exceptional service, please be advised that LPL Financial will remove any non-transferable securities that are worthless from customer accounts. Your account may or may not be affected. Should you have any questions or concerns, please contact your financial professional.

IRA CONTRIBUTIONS

When contributing to your Individual Retirement Account (IRA), be sure to include the following two items in your check's memo field:

- 1) The year for which you are contributing, and
- 2) Your account number.

If no year is indicated, we will designate the contribution as being made for the current calendar year. For Rollover IRA contributions please include a completed IRA contribution form to ensure proper tax reporting.

Investors may contribute each year to a Traditional IRA and a Roth IRA; however, the contribution for 2016 for all IRAs combined generally must not exceed \$5,500 (\$6,500 for investors 50 years old or older) or 100% of compensation, whichever is less. Married couples may contribute up to \$11,000 (\$13,000 for investors 50 years old or older) or 100% of compensation, whichever is less, provided total contributions to each spouse's IRA (s) do not exceed \$5,500/\$6,500 for investors 50 years old or older.

For 2017, IRA contribution limits will remain the same at \$5,500 (\$6,500 for investor 50 years or older).

Please consult with a tax advisor regarding eligibility. If you have additional questions, please contact your financial professional.

YEAR-END ACCOUNT STATEMENTS/MULTIPLE FORM 1099S

This statement reflects only business conducted with your AXA Advisors Financial Professional during the time LPL Financial acted as the clearing broker-dealer. If you transferred an account to AXA Advisors, LLC from another broker-dealer during 2016, your previous firm(s) should send you one or more Form 1099S summarizing any reportable account activity that took place before your account was transferred to AXA Advisors, LLC. Please be sure to include all Form 1099S when completing your tax returns.

DECEMBER DIVIDENDS FOR CERTAIN MUTUAL FUNDS

This statement may not reflect all dividends applied to late December 2016 on certain mutual fund shares that may be held in your account. These dividends will be shown on your next month's statement. For tax purposes, these dividends will be reported on your annual 1099-DIV statement as income earned during 2016. You will not receive a 1099-DIV statement for any dividends paid to a retirement account as such income is tax-deferred.

Foreign Transaction Tax

A Foreign Transaction Tax is charged by LPL on foreign equity security purchases where the underlying non-U.S. securities are from French or Italian issuers. This tax is levied by the French or Italian governments, and the charge offsets the tax incurred by LPL as a result of executing the transaction on your behalf. Currently, the fee is 0.2% of a purchase amount and can be found on the Miscellaneous Account and Service Fees Schedule.

Your financial advisor's address and telephone number can be found on the bottom of each page of this statement. LPL Financial's telephone number is (800) 558-7567 and address can be found on the first page of this statement. Additionally, any verbal communications should be re-confirmed in writing to each of the above parties to further protect your rights, including rights under Securities Investor Protection Act (SIPA).

Free Credit Balances: LPL may use your free credit balances subject to the limitations of 17 CFR Section 240.15c3-3 under the Securities Exchange Act of 1934. You have the right to receive from LPL, upon demand in the course of normal business, the delivery of any free credit balances to which you are entitled, any fully paid securities to which you are entitled, and any securities purchased on margin upon full payment of any indebtedness to LPL.

LPL Insured Cash Deposit Sweep Programs: Cash in the Insured Cash Account (ICA) and LPL Deposit Cash Account (DCA) programs are protected by the Federal Deposit Insurance Corporation (FDIC). LPL Financial allocates your money to the ICA program to banks in the Order of Priority Bank List and to the DCA program to any bank on the Available Bank List in increments up to \$246,500 per depositor per depository institution (\$493,000 for joint accounts) until your balance in each of the ICA and DCA programs is allocated up to a total coverage of \$1,500,000 for joint accounts. All banks are Member FDIC. FDIC coverage is \$250,000 per depositor per bank (\$500,000 for joint accounts). More information on FDIC insurance is available on request, including the FDIC website at www.fdic.gov. LPL Financial is not a bank, unless otherwise disclosed, securities and other investments obtained through LPL Financial ARE NOT FDIC INSURED, ARE NOT BANK GUARANTEED AND MAY LOSE VALUE.

Investments Held Outside LPL: Information on investments held outside LPL is provided for informational purposes only and does not replace the official statement you receive directly from the product sponsor or outside custodian for these positions. Please complete the request for information you receive on your official statement. Values for investments not held in your LPL account are based on the market value or priced securities at the end of the statement period. Values for annuities reflect a pricing date approximately three business days prior to the statement date. Values for alternative investments such as Manager Futures and REITs (Real Estate Investment Trusts) reflect a pricing date three to five business days prior to the statement date, depending on the availability of the data. The account registration for investments held outside LPL may not be the same as the registration for the LPL account with which it is affiliated. For example, an outside investment with a joint registration may be reflected on an LPL account with an individual registration.

Margin Account: If you use margin, this statement combines information about your investment account(s) and a special miscellaneous account maintained for you under Section 270.6 of Regulation T issued by the Board of Governors of the Federal Reserve System. The permanent record of the separate account required by Regulation T is available for your inspection upon request.

Money Market Funds: Money market fund transactions, if any, are displayed chronologically. The 30-day yield for the fund is also reflected as of the statement date.

Municipal Material Disclosures: Copies of any material disclosures for municipal bonds are available at www.emma.msrb.org. To obtain specific municipal bond information, enter the nine-digit CUSIP number in the Search field within the EMMA web site. If you do not have access to the Internet or would prefer a physical copy of the material disclosure, please contact your financial professional. Additional municipal bond information that may be available on www.emma.msrb.org includes, but is not limited to: advance refunding documents, continuing disclosures, including annual financial statements and notices of material events, real-time and historical trade data, daily market statistics and educational material.

N/A or --: Data information that displays as N/A or "--" is missing or incomplete and is treated as zero when calculating account totals, market values and performance.

AXA Advisors, LLC and its financial professionals are not affiliated with LPL Financial ("LPL").

Account Protection: LPL Financial is a member of the Securities Investor Protection Corporation (SIPC). SIPC provides protection for your account up to \$500,000, of which \$250,000 may be claims for cash, in the unlikely event that LPL fails financially. SIPC protection limits apply to all accounts at LPL as a sole particular capacity. For example, if you hold two accounts at LPL as a sole account holder and third as a joint account holder, the two individual accounts are protected under SIPC up to a combined limit of \$500,000, and the joint account is protected under SIPC separately up to \$500,000. LPL Insured Cash Account (ICA) and LPL Deposit Cash Account (DCA) are not protected by SIPC. More information on SIPC, including obtaining an explanatory SIPC Brochure, may be obtained by calling SIPC directly at (202) 371-8300 or by visiting www.sipc.org. The account protection applies when an SIPC member firm fails financially and is unable to meet its obligations to securities clients, but it does not protect against losses from the rise and fall in the market value of investments.

Adjusted Cost: The cost basis of securities sold, matured, redeemed or exercised is adjusted for return of principal, original issue discount, accrual and partnership distributions for CMO, CDO, REMIC and MLP transactions. Eligible securities on the Realized Gains and Losses Statement have been adjusted for bond amortization, return of capital, liquidating distributions, wash sales or similar items. N/A displays when the information is incomplete or missing and is treated as zero when calculating totals.

Adjustments to Option Contracts: As a general rule, corporate actions can result in an adjustment in the number of shares underlying an options contract or the exercise price, or both. Please review any adjustment to an option position. Contact your financial professional for further information with respect to option contract adjustment or visit the OCC website <http://www.optionsclearing.com/webpages/informations>.

Agency: If AXA Advisors, LLC or LPL acts as your agent, or as agent for both you and another person in a transaction, the transaction details, including the identity of the seller or buyer and the source and amount of any fees or payments will be supplied upon your request. The actual yield from transactions in asset-backed securities (e.g., CDO, FNMA, FHLB OR Ginnie Mae transactions) may vary according to the rate at which the underlying assets or receivables are repaid. Information about yield factors is available from your financial professional on request.

Called Securities: In the event of a partial call of corporate or municipal bonds or preferred stock, held in bulk segregation, the securities to be called will automatically be selected on a random basis, as is customary in the securities industry. The probability that your securities will be selected is proportional to the amount of your holdings relative to the bulk holdings. A detailed description of the random selection procedure is available upon request.

Change of Address: Please notify your financial professional, AXA Advisors, LLC or LPL promptly in writing of any change of address.

Cost Basis: Transactions are automatically paired against holdings on a "First-In-First-Out" basis (unless manually adjusted). Designating liquidations as "versus purchase" on a trade will cause the trade confirmation or other closed tax lot notification to reflect the selected closed tax lots. For assets not purchased in the LPL account, you or the previous broker/dealer upon transfer may have provided the Date Acquired and Purchase Cost of the position. If no such data was submitted, N/A is listed as the Purchase Cost, and is treated as zero when calculating Gain or Loss totals. Since the cost basis on certain securities may have been provided by another source, the cost basis information on your statement may not reflect accurate data or correspond to data on your trade confirmations. This information should not be relied upon for tax reporting purposes. Please refer to your tax reporting statement, if applicable. For accounts electing average cost, the total cost may be computed using a combination of averaged and non-averaged unit prices for eligible securities.

Discrepancies: Please notify your financial advisor and LPL Financial immediately if you have any discrepancies on your statement. If your financial advisor is affiliated with another broker/dealer, you must notify them as well. Please contact your financial advisor for the broker/dealer's contact information.

Open Orders: Open Orders are transactions pending execution, i.e., purchase and/or sale orders that you have placed, but that have not been executed by the end of the statement period.

Option Clients: Information on commissions and other charges incurred in connection with the execution of option transactions has been included in the confirmations of these transactions furnished to you. A summary of this information will be made available upon request. In accordance with the Option Agreement and Approval Form you signed, you must promptly advise the firm of any material change in your investment objectives or financial situation.

Order Routing: Quarterly Order Routing information for equities and options can be found at <http://www.rta.thomson.com/reports/1-6/axaa/currt.html>. This information is also available upon request.

Payment for Order Flow: LPL acts as your agent and receives payment for order flow, the source and nature of which will be furnished to you upon written request. AXA Advisors, LLC does not receive payment for order flow.

Pricing: Securities prices shown on this statement may vary from actual portfolio value. Prices shown should only be used as a general guide to enable you to provide timely information. Where pricing sources are not readily available, particularly on certain debt instruments including, but not limited to, bills, notes, bonds, banker's acceptances, certificates of deposit, or commercial paper, estimated prices may be generated by a matrix system or market driven pricing model, taking various factors into consideration. These prices may not be the actual price you would receive if you sold before the maturity of a certificate of deposit. The pricing of listed options takes into account the last closing price, as well as the current bid and offer prices. Where securities have not been priced, their values have not been included in the Portfolio Summary information at the beginning of this statement.

Principal: If your broker-dealer is acting as principal in a transaction, your broker-dealer has sold to or bought from you the security, and may have received a profit from the transaction.

Purchase Cost: Original cost including fees, commissions and less accrued interest of the quantity sold or redeemed. For transferred securities, this could be the purchase amount you or the former institution provided to us. Purchase Cost may be adjusted to reflect corporate actions, such as stock splits, mergers, spin-offs or other events. N/A is displayed when the information is incomplete or missing and is treated as zero when calculating totals. Transferred securities may not be included in Purchase Cost.

Regulation: All transactions are subject to the constitution, rules, regulations, customs, usages, rulings and interpretations of the exchange or market—and its clearing house, if any—where the transactions are executed, and of the Financial Industry Regulation Authority (FINRA).

Reinvestment: The dollar amount of mutual fund distributions, money market fund income, or dividends on other securities shown on your statement may have been reinvested in additional shares. You will not receive confirmations for these reinvestment transactions. However, you may request information on these transactions by writing LPL. LPL will also, if requested, furnish you with the time of execution and the name of the person from whom your security was purchased.

Statement of Financial Condition: LPL's financial statement is available for inspection at LPL's office. LPL will mail a copy to you upon written request. For brokerage accounts, AXA Advisors, LLC financial statement is available for inspection at AXA Advisors, LLC office. AXA Advisors, LLC will mail a copy to you upon written request.

Sweep Option: Your account may provide for a daily sweep in an insured bank deposit sweep program (either LPL Insured Cash Account—ICA—or LPL Deposit Cash Account—DCA) or a money market mutual fund. The balance in the ICA, DCA or money market mutual fund sweep may be liquidated on the customer's order and the proceeds returned to the securities account, or remitted to the customer. If you have any questions about your sweep option, including rates of the depository institutions currently participating in the sweep option, or you would like to change your sweep option, please contact your financial advisor.
